

Children's Choice Educare January 2021 Newsletter

Monthly Theme: Holidays and Cultures

During January, we will introduce the children to different holidays and cultures around the world. We will promote multicultural awareness through book discussion and educational activities.

January Thoughts

2020 was a lot of things, including a time of transformation and growth for many. 2020 will be a year that we always remember, but we survived. And while it is a good thing to survive a year, it is an even better thing to thrive in it.

That's why, as January unfolds we can start off 2021 by focusing on how we can continue our transformation and growth in the year ahead. Whether it be new motivation, newfound energy, new strength, or new resilience, let's all focus on what we can gain this year.

No one can predict when life in 2021 will return to anything similar to "normal", but we are here, and that gives us reason enough to say "thank you"!

Let us all commit to thriving in 2021!

2020 Tuition Receipt

Annual receipts for tuition paid during the 2020 school year will be generated and given to parents before January 31st, 2021.

- Receipts will include federal and state tax identification numbers for tax purposes.
- If you need your tuition receipts earlier than January 31st, please contact Ms. Robin

Parent Reminders

- Please send your child in warm winter clothing for the cold weather months. We go outside when weather conditions are good and the temperature is above 48-50 degrees.
- Please label your child's jacket and sweaters.

Monthly School Spirit Days

We are still unable to celebrate holidays with normal school parties and communal events, so starting this year we will be setting new socially-distanced and safe traditions at our school.

Each month we will introduce special spirit days at school. School spirit days will be aligned with our monthly theme, monthly holidays, or any fun specific themes (colors, animals, sports, etc.).

We will have one or two special spirit days each month. Here is a schedule for spirit days in January, February and March:

- Pajama Day 1/15
- Multicultural Day 1/29
(Wear traditional dress from your own culture)
- Wear Red Day 2/12
- Hat Day 2/26
- Wear Green Day 3/17
- Sports Day 3/31
(Wear your favorite team/sports gear)
